

Нарисуй слева столько же эскимо, сколько в центре,
а справа — на 1 больше, чем в центре.

A grid for drawing. The first row contains three Eskimo ice cream sticks. The second row contains two groups of four sticks, each group labeled with the numbers 1, 2, 3, 4. The third row contains two groups of four sticks, each group labeled with the numbers 1, 2, 3, 4. The fourth row contains two groups of four sticks, each group labeled with the numbers 1, 2, 3, 4.

Нарисуй в каждой строчке по 4 конфеты.
